About TechEd-17

The International conference is aimed at providing a platform to share the needs of industries with the changing time and the role of technical education and institution to cater those needs. It will include sessions by industry experts, professors from national and International institutions. Papers will be presented by research scholars, faculty members and industry personnel. 3rd International Conference.

The host

Gaikwad-Patil Group of Institutions (GPGI) provides education in various sectors such as Engineering & Technology, Science, Management and Architecture.

TGPCET is one of the premier upcoming engineering colleges in Central India and recently accredited by NAAC. It has seven under graduate and four diploma courses in engineering, five post graduate courses in engineering in addition to MBA and MCA courses. The college had received research grants from AICTE, ISTE and many other reputed agencies for high quality of research in engineering and technology. It has hosted a series of National and International Conferences.

Vision

To make exemplary contribution to the progress and future of our country by enhancing the capabilities of our youth, by imparting world class education and training in science, technology and management; empowering them to seek and offer solutions to challenges faced by their brethren locally as well as globally.

Mission

To impart world class education and training to our students by offering state-of-the-art undergraduate, postgraduate and doctoral programs.

To develop dynamic engineers and managers comparable with the best in the world and capable of leadership.

To generate new knowledge by developing cutting-edge research and world class scholarship, to effectively contribute to the future of the country and the global community.

To establish and nurture a long term symbiotic relationship with industry and institutions of higher learning within and outside our country in generating solutions for current and future issues of concern.

To develop potential of all our stakeholders to its fullest extent and empower them to actualize it.

Eminent Speakers of TechEd-16

Dr. Tariq Masood Mohd Akram

Dr. Tariq Masood Mohd Akram is a member of -
- Ceng (Chartered Engineer) Registered with Royal Engineering Council, UK
- (Sr.MIEEE) Institute of Electrical and Electronics Engineer, USA
- Member IChemE, UK
- Member MIET (The Institution of Engineering and Technology, UK)
- Registered Professional Engineer
- Member CET (CET - ETA International, USA).

Dr. Tariq has been awarded with prestigious awards such as Al-Hasba and Mubrouk awards, to name a few.

Dr. Kalam Akhtar

Dr. Kalam Akhtar has been at Victoria University since 1985 and was a former Deputy Dean of the Faculty of Health, Engineering and Science for 7 years.

He has wide experience in educational institutions and industry across four continents. He completed his MS and Ph.D. at the University of Oklahoma, USA and the University of Bath, UK. He has worked with Ingersoll Rand and other electrical manufacturers. He has held teaching appointments at the University of Technology, Baghdad, Iraq and Capricornia Institute of Advanced Education, Rockhampton, Queensland.

His major areas of interests are power system analysis, communication, control, protection and cogeneration systems. He has been actively engaged in the teaching of Energy Systems to undergraduates, postgraduates and providing professional courses to the industry both in Australia and overseas.
